

2007 Environmental and Subsurface Science Symposium, Featuring Subsurface Biotechnology and Bioremediation

July 25 - 27, 2007
Utah State University - Logan, Utah
Eccles Conference Center

SPONSORSHIP AND EXHIBITOR OPPORTUNITES

The annual Environmental and Subsurface Science Symposium, presented by the Inland Northwest Research Alliance is an excellent opportunity for your company or organization to gain valuable exposure to environmental professionals, industry representatives, government partners and researchers throughout the Inland Northwest and the United States.

Along with the sponsorship and exhibitor opportunities listed below, we are happy to build a sponsorship package tailored to your organization. If you would like to donate items or lend support to a specific function, such as a breakfast, break or the poster receptions, let us know and together we can design a package to fit your needs while providing the most business exposure as possible. Together we can host a fantastic event!

For more information and to register online, visit: <http://institute.inra.org/>

ADDITIONAL OPPORTUNITIES

Information Folder Sponsorship - \$100

Take advantage of the opportunity to include one piece of advertising, business literature or product to be distributed to all attendees.

Scholarship Sponsorship

Sponsor a research student by helping defray the cost of attending ESSS 07. Your organization will be recognized at ESSS 07 and listed in both the INRA Journal web newsletter and the Symposium Agenda for your generosity in making it possible for a research student to attend and network with his/her peers.

Sponsor a Specific Item or Event

Gain targeted exposure by sponsoring a specific item or event. Various investment levels are available. Sample opportunities are listed below:

- Wednesday, Thursday or Friday breakfasts
- Wednesday evening Poster and Networking Receptions
- Wednesday, Thursday or Friday morning or afternoon breaks
- Speakers
 - William H. Schlesinger, Ph.D., Dean of the Nicolas School of the Environment and Earth Sciences, Duke University
 - Dr. Robert Hinchee, Ph.D., P.E., Integrated Science and Technology, Inc.,
 - Dr. Kirby Donnelly, Ph.D., Professor and Head of the Environmental and Occupational Health Department at the Texas A&M University System Health Science Center School of Rural Public Health.

Together we can design a sponsorship package to fit your organization's needs.
